TO WHOM IT MAY CONCERN

This is to confirm that since 2014 the company *PS&M Srl* is delivering O&M services to the Norwegian, stock-listed investor AEGA ASA, for all of its MW PV projects in Italy.

Through the years, PS&M proved to be always fast and professional in carrying out preventive, ordinary, and extraordinary O&M activities. Their way of performing duties fully satisfies us and makes us believe to have chosen one of the best and most reliable partners in the Italian O&M market.
